We Bring our Gifts Our Local Church Budget

Sometimes, when I am given a task to do, it can be hard for me to keep focused on it. When writing a book, sometimes I get what's called "writer's block," when the words just don't come as easily to me. When I'm writing an article or a message to share, it can be hard as well. One thing that helps me immensely is leaning into my "team" of family and friends. My husband is an excellent encourager, and he provides me with the support and space to complete the job. My friends hold me accountable by asking how different projects are going.

Similarly, our church functions only because of many people working together as a team to keep our ministries running. Several volunteers help with things such as Sabbath School, ministry meetings, and leading out prayer meetings, just to name a few things. The Bible tells us, "Thus the saying 'One sows and another reaps' is true" (John 4:37. NIV). Each person serves a different, yet important, role to help the church function.

Today's offering will go to support our local church budget. There are many ways to support what our church does, and giving financially is just one. Pray and consider how God can use you to continue to move forward in the mission of our church.

NOURISHMENT FOR THE SOUL

"There is no such thing as bad weather, just bad clothes." {Scandinavian saying}

"When the weather will permit, all who can possibly do so ought to walk in the open air every day, summer and winter. But the clothing should be suitable for the exercise, and the feet should be well protected. A walk, even in winter, would be more beneficial to the health than all the medicine the doctors may prescribe. For those who can walk, walking is preferable to riding. The muscles and veins are enabled better to perform their work. There will be increased vitality, which is so necessary to health. The lungs will have needful action; for it is impossible to go out in the bracing air of winter's morning without inflating the lungs. {Testimonies for the Church, vol. 2, p. 529}
